

Physician Recruitment

Residents / Businesses

Elk Point & Area

Mayor Young, Council, and Administration are seeking your support in recruiting new doctors to our community.

With Dr. Oyebode leaving in December 2020, we need to express our concerns to Alberta Health Services the importance of having four physicians in Elk Point. Family physicians are critical to the sustainability of any community.

Please send a letter or email to the Minister of Health and our MLA David Hanson at the addresses below:
